Antique bronze

Ice palladium

Platinum

Iridium

Blue sapphire

Sparkling emerald

Deep ruby

TECHNICAL INFORMATION:

MANUFACTURING METHOD
Wilton

PILE SURFACE
Tip-shear

PILE COMPOSITION
100% Recycled Nylon

PILE WEIGHT
± 1.900 g/m²

TOTAL CARPET WEIGHT
± 2.800 g/m²

PATTERN REPEAT (L x W)
Totally Random

PILE HEIGHT
± 9,0 mm

TOTAL CARPET THICKNESS
± 11,0 mm

BACKING
Jute & Latex

MANUFACTURING WIDTH
± 4,00 m

MADE
SPAIN

PRODUCT SPECIFIC INFORMATION:

Colour, pattern and textural batch matching: Slight differences will exist between different production batches and dyelots. Where a precise match is required, we recommend a stock cutting from the current material batch is requested before order placement.

Colour fastness to light: The pile yarns in our carpets are manufactured using dyeing techniques that meet strict environmental regulations. In common with all other dyed textiles, carpet will lose colour if exposed to sustained sunlight. Colour fading is not considered a manufacturing defect.

Installation on Stairs: The stair nosing is a point of high friction and stair carpets must be installed in conjunction with a high quality heavy use underlay that covers the tread, nosing and riser. Other important points regarding installation on stairs are available to download in the product specific characteristics sheet.
